SUBMISSION OF ERROR IN SMALL ENTITY STATUS
UNDER 37 C.F.R. §1.28(C)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The above captioned patent issued on May 2, 2006.

After review of the file, applicants submit that small entity status was properly asserted and small entity fees were paid in good faith at the time the application was filed. **It has now been discovered that small entity status may have changed during the pendency of the application.** Thus, it appears that at the time of the payment of the issue fee, applicants may have paid an incorrect amount. Therefore, applicants desire to proceed as a large entity from the time the issue fee was paid. See 37 CFR §1.27(g)(1)

Therefore, there is a deficiency owed resulting from the previous erroneous payment of a small entity Issue Fee in Response to the Notice of Allowance and Fees Due mailed December 5, 2005.

1400.00 OP

A small entity Issue Fee of \$700 was timely paid on March 1, 2006. If paid today, the non-small entity Issue Fee would be \$1400. **The total deficiency payment now owed is therefore \$700.00** for the above fee amount previously erroneously paid as a small entity. A check for the amount of \$700.00 is attached.

The Commissioner is hereby authorized to charge any deficiency or credit any excess to Deposit Account No. 14-0112.

Any questions regarding this matter should be directed to the below signing attorney.

Respectfully submitted,
